

Education Maintenance Allowance

Information about changes to Education Maintenance Allowance as a result of the School Reform Agreement made between the Victorian Government and Commonwealth Government.

What is EMA?
The Education Maintenance Allowance currently provides financial assistance to low-income families to help meet costs associated with the education of their children.

How it is paid?
Parents can currently elect to have their EMA paid in one of the following ways:

- paid by direct deposit (Electronic Funds Transfer) into the parent’s bank account; or
- paid directly to the school to be held as credit which the parent can use towards education expenses; or
- paid by cheque which will be posted to the school for collection.

In 2013 over 70 per cent of parents receiving the EMA chose to have their EMA paid directly to their school. Each school would then use the funds for a range of expenses for that child.

Who is eligible?
The EMA currently provides financial assistance to Victorian families on a low income to help with the cost of educational items such as textbooks, stationery, uniforms and excursions.

It is a means-tested payment - parents must hold a Centrelink or Veterans Affairs concession card to be eligible.

What is changing?
In the recent School Reform agreement signed with the Commonwealth, the Victorian Government has changed the way it helps low income families with education expenses.

From 2015, the Government will distribute the funds previously used for the EMA directly to schools. DEECD will develop the arrangements to be used to distribute these funds to schools – consultation will occur with stakeholders about this.

Why?
Under the recent School Funding Reform an additional $12.2 billion will be allocated to Victorian schools.

Will my child be worse off?
No. Education funding for children will increase but will be delivered to your child in a new way through their school. The new agreement provides that schools with the most vulnerable students will receive the funding they need.

The students who will benefit the most from this funding agreement are those who are the most vulnerable.
