VISION

Point Lonsdale Primary School's vision is to engage the whole school community in ensuring the healthy development of every child so that each has the knowledge, competency, and resilience to be successful in a rapidly changing world.

MISSION

Point Lonsdale Primary School's mission is to provide students with an education that supports them in becoming "smart" (academically capable, problem solving, critical thinking), socially competent and ethical human beings. We understand that we are all teachers, leaders, and learners at various times, and we want our students to be articulate and confident in their own capabilities as learners, leaders, and as 21st century citizens.

At all times we are conscious that we are working within an "intergenerational space". We know that our students are 21st century learners and their preferred learning styles centre on the school experience being real, relevant, responsive to their needs and most importantly relational.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Point Lonsdale Primary School's values are:
