

# PLPS YARD DUTY AND SUPERVISION POLICY

## Help for non-English speakers

If you need help to understand the information in this policy, please contact Point Lonsdale Primary School pm 5258 1501.

## PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

## SCOPE

This policy applies to all teaching and non-teaching staff at Point Lonsdale Primary School, including education support staff, casual relief teachers and visiting teachers.

## POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### Before and after school

Point Lonsdale Primary School's grounds are supervised by school staff from 8:40am until 3:45pm. Outside of these hours, school staff will not be available to supervise students

Before and after school, staff monitor the school grounds.

Parents and carers will be advised through Skoolbag (Audiri) and regular reminders in our newsletter that they should not allow their children to attend Point Lonsdale Primary School outside these hours. Families are encouraged to contact the Principal on 5258 1501 or contact TheirCare on 0407 856 069 for more information about before and school care facilities available within our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### Yard duty

All teaching staff at Point Lonsdale Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal and timetabler are responsible for preparing and communicating the yard duty roster on a regular basis. At Point Lonsdale Primary School, all duties are carried out in pairs always allowing coverage of site. The designated yard duty areas for our school are the oval and general playground area. During wet day, extreme heat or windy days supervision is to be provided in the learning studios and learning common by staff timetabled for yard duty.

Out of sight is out of bounds.

### **Yard duty zones**

The designated yard duty area for our school (as at Term 2, 2023) are the general playground area and oval. These are considered a single zone for supervision.

## **Yard duty equipment**

School staff must:

- Be familiar with the yard duty procedures, student health and safety information in Sick Bay and Team studios.
- The Yard Duty timetables are circulated at the beginning of each term. Additional copies are located on the staff and Photocopy room noticeboards.

## **Yard duty responsibilities**

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- be alert and vigilant
- have their mobile phone on their person but use only to call for support should an emergency occur
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement and Wellbeing policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate using forms found in the sick bay and using EduSafe plus as required

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact their co-teacher for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

### School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

### Digital devices and virtual classroom

Point Lonsdale Primary School follows the department's [Digital Technologies - Responsible Use policy](#) with respect to supervision of students using digital devices.

### Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

### Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.
